SPC EXCLUSIVE LIMITED WARRANTY

Elite Flooring warrants that its Product planks and tiles are free from any visual or manufacturing defects. If the products are found to be defective, Elite Flooring will supply new product of the same or similar style, size, color, grade, and gauge to repair or replace the defective area and will pay reasonable labor costs provided the flooring is professionally installed and maintained according to the installation instructions provided. All products purchased for an installation should be inspected by you and/or your installer. Pieces that are visually defective should not be installed. Elite Flooring will not be responsible for reimbursing labor charges on any claim for visually defective product installed. It is the responsibility of the installer to determine the suitability of the product for installation before it is installed.

If a problem occurs during the installation of the planks and tiles, the job should be stopped immediately. The proper action is to immediately report the problem to your dealer and distributor who, in turn, will contact Elite Flooring. Any costs caused by continued installation after the problem is identified will not be covered by Elite Flooring.

Products that are non-defective but are damaged during an improper installation by not following the Elite Flooring installation guidelines do not constitute a valid claim as defined by this limited warranty. This warranty will not include loss of time, inconvenience, incidental expenses (such as telephone calls, removal and replacement of items placed over the floor after the original installation, etc.) included in the removal and reinstallation of the affected material, and any other incidental or consequential damages. Elite Flooring reserves the right to inspect any claim and/or request photographs and/or samples associated with the specific claim prior to approving any claim. All limited warranties are valid for the original purchaser of the flooring only and are not transferrable.

WEAR LIMITED WARRANTY

Elite Flooring Product planks and tiles are protected with a wear layer. Elite Flooring warrants that there will be no wear-through of the wear layer for the number of years indicated for the specific product. "Wear-through" means complete loss of the wear layer so that the printed color layer is changed or affected. The term for your specific product wear Limited Warranty will appear on the insert of the product you purchased. This Limited Warranty applies only to first quality merchandise provided the recommended installation and maintenance procedures are followed as outlined in the Installation Instructions and Owner's manual.

PET WARRANTY

Elite Flooring Product planks and tiles are warranted to resist stains caused by pet soiling from domestic dogs and cats during the specific warranty time frame. The pet stains include urine, feces, and vomit. Resisting stains means that your floor has the ability to minimize or hold out permanent stains under the conditions stated. Pet accidents should be cleaned up immediately, as the longer they sit, the more difficult they will be to remove. Any damage to the subfloor and/or surrounding structure caused by pet soiling is not covered by this warranty. Please follow our maintenance procedures for cleaning the affected areas. This warranty does not cover soiling and staining caused by any other pet type besides those stated above.

INTERNET WARRANTY

Various retailers on the internet sell our waterproof flooring products. While some websites are operated by retailers that maintain physical stores and provide excellent service, other websites are operated by internet-only retailers that do not provide service. If you choose to purchase your products from an internet-only retail provider, please be advised that such products will be covered by a 1-year warranty for manufacturing defects.

Warranty claims for anything other than an initial defect of the product are explicitly excluded. None of our installers, retailers, distributors, or employees has the authority to alter the obligations, limitations, disclaimers, or exclusions under any of our warranties. There are no other warranties beyond this expressed limited 1-year warranty.

WATERPROOF LIMITED WARRANTY

Elite Flooring Product planks and tiles are warranted to be 100% waterproof. The structural performance of the planks or tiles, when properly installed and under normal use conditions, will be resistant to damage caused by exposure to water for the life of the product.

Mold and/or mildew can sometimes occur in a building if moisture issues are not addressed. This moisture warranty excludes damage resulting from the growth of both mold and/or mildew due to extended moisture exposure.

While Product planks and tiles are waterproof, the floor is not a waterproof barrier for the subfloor and surrounding structure. The moisture warranty does not cover damage caused by hydrostatic pressure from the subfloor, flooding, household leaks (such as pipes), or mechanical failures like appliance and heating equipment leaks.

If the Product planks and tiles are structurally damaged and the cause is determined to be exposure to water, Elite will arrange a credit subject to the terms as described below in the "Terms of Lifetime Limited Warranty" section. The term for your specific residential product Limited Warranty will appear in the carton insert of the product you purchased. For commercial installations, Product planks and tiles damaged caused by exposure to water will be subject to a pro-rated credit as described below in the "Terms of Lifetime Limited Warranty" section.

WATERPROOF LIMITED WARRANTY DOES NOT COVER:

Any damage to structures that are not part of the installed Product flooring such as damage to surrounding walls, subfloor, structures, fixtures, furniture, underlayment, moldings, trims, and subfloor heating systems, or anything that is not the tile or plank.

Any damage from mold and/or mildew growth due to extended water exposure.

Flooring installed outdoors.
